Point 1: Value Added Services

a. **Basic Services Demat Account (BSDA)**: The facility of BSDA with limited services for eligible individuals was introduced with the objective of achieving wider financial inclusion and to encourage holding of demat accounts. No Annual Maintenance Charges (AMC) shall be levied, if the value of securities holding is upto Rs. 50,000. For value of holdings between Rs 50,001- 2,00,000, AMC not exceeding Rs 100 is chargeable. In case of debt securities, there are no AMC charges for holding value upto Rs 1,00,000 and a maximum of Rs 100 as AMC is chargeable for value of holdings between Rs 1,00,001 and Rs 2,00,000.

b. **Transposition cum dematerialization**: In case of transposition-cum-dematerialisation, client can get securities dematerialised in the same account if the names appearing on the certificates match with the names in which the account has been opened but are in a different order. The same may be done by submitting the security certificates along with the Transposition Form and Demat Request Form.

c. **Linkages with Clearing System** for actual delivery of securities to the clearing system from the selling brokers and delivery of securities from the clearing system to the buying broker.

Point 3: Digitization of services provided by the depositories

a. **E-account opening**: Account opening through digital mode, popularly known as “On-line Account opening”, wherein investor intending to open the demat account can visit DP website, fill in the required information, submit the required documents, conduct video IPV and demat account gets opened without visiting DPs office.

b. **Online instructions for execution**: internet-enabled services like Speed-e (NSDL) & Easiest (CDSL) empower a demat account holder in managing his/her securities ‘anytime -anywhere’ in an efficient and convenient manner and submit instructions online without the need to use paper. These facilities allows Beneficial Owner (BO) to submit transfer instructions and pledge instructions including margin pledge from their demat account. The instruction
facilities are also available on mobile applications through android, windows and IOS platforms.

c. e-DIS / Demat Gateway: Investors can give instructions for transfer of securities through e-DIS apart from physical DIS. Here, for on-market transfer of securities, investors need to provide settlement number along with the ISIN and quantity of securities being authorized for transfer. Client shall be required to authorize each e-DIS valid for a single settlement number / settlement date, by way of OTP and PIN/password, both generated at Depositories end. Necessary risk containment measures are being adopted by Depositories in this regard.

d. e-CAS facility: Consolidated Account Statements are available online and could also be accessed through mobile app to facilitate the investors to view their holdings in demat form.

e. Miscellaneous services: Transaction alerts through SMS, e-locker facilities, chatbots for instantaneously responding to investor queries etc. have also been developed.
